Manikandan GR is currently a Junior Resident in the Department of Periodontics at Government Dental College, Thiruvananthapuram, Kerala, India. He has written around 15 scientific papers in International, National and State journals as well as around 45-plus articles in commercial health magazines and newspapers. His article 'Dentistry Exploring Newer Horizons' was awarded the best scientific publication at the undergraduate level for the year 2012 by Kerala Dental Journal. He had written around five books for MDS entrance examination, like Dental Cocktail—3 volumes, D-Wave, Kerala Dental Edge, etc. He is actively involved in guiding MDS aspirants through his Whatsapp and Facebook study groups. ABCD—Anybody Can Do, the high-yielding motivational pack session given at the entrance centers, has got a lot of appreciation. He has presented numerous papers and posters at the various International, National and State conferences and won accolades. He was the Kerala University BDS First Rank Holder in III BDS in 2008. He cleared AIPG in 2014 with 117th rank. He can be contacted at *bellrings4u@gmail.com*.
