Contents

Section 1: Normal Anatomy and Imaging Technique

1. Imaging Techniques in Temporal Bone Evaluation **3**
Ankur Goyal
Radiographs *4*; Computed Tomography *6*; Magnetic Resonance Imaging *10*; Advanced Imaging Techniques *11*

2. Three Dimensional Printing and Its Applications in the Temporal Bone **17**
Adarsh Ghosh, Ashu Seith Bhalla
File Formats *17*; 3D Models versus Volume Rendering Techniques *18*; Steps of 3D Printing *19*; Applications in Temporal Bone *21*; Limitations *25*

3. Temporal Bone Anatomy: Structure-wise **27**
Jyoti Kumar
External Ear *27*; Middle Ear *30*; Inner Ear *39*; Mastoid *49*

4. Temporal Bone Anatomy: Section-wise **54**
Jyoti Kumar
Consecutive Axial CT Sections (Cranial to Caudal) *54*; Subsequent Axial CT Sections (Cranial to Caudal) *56*; Consecutive Coronal MPR CT Images (Anterior to Posterior) 58; Subsequent Coronal MPR CT Images (Anterior to Posterior) *60*; Consecutive Axial Heavily T2W MR Images (CISS Sequence) (Cranial to Caudal) *62*; Consecutive Coronal Heavily T2W MR Images (CISS Sequence) (Anterior to Posterior) *64*; Consecutive Sagittal Oblique Heavily T2W MR Images (CISS Sequence) (Medial to Lateral) *66*

Section 2: Congenital Anomalies of External and Middle Ear

5. Congenital Anomalies of External and Middle Ear **71**
Ashu Seith Bhalla, Priyanka Naranje
Embryology *71*; Imaging Modality *71*; Structures Involved *72*; Syndromes *82*; CT Grading Systems *84*; Bonebridge CT Measurement *85*; Management Issues *86*

6. Congenital External and Middle Ear Anomalies: Surgical Perspectives **88**
Chirom Amit Singh, Suresh C Sharma
Terminology *88*; Congenital Deformities of Pinna/Auricle *88*; Congenital Aural Atresia *90*; Minor Congenital Malformations of Middle Ear *92*

7. Reporting Templates and Illustrative Cases: Microtia **94**
Smita Manchanda, Ashu Seith Bhalla
External Ear *95*; Middle Ear *95*; Inner Ear *95*; Impression *95*; Case 1 *96*; Case 2 *98*; Case 3 *100*; Case 4 *102*; CASE 5 *104*

Section 3: Infections of External and Middle Ear

8. Infections of External and Middle Ear: Imaging **109**
Madhavi K, Aparna Irodi
External Ear *109*; Middle Ear and Mastoid *116*; Specific Complications *133*; Postcholesteatoma Surgery Imaging: HRCT versus MRI *135*; Middle Ear Infections in Immunocompromised Patients *136*

9. Infectious Diseases: Surgical Perspective **137**
Shuchita Singh, Kapil Sikka
Clinical Presentation *137*; Preoperative Imaging *138*; Management *140*; Types of Surgical Interventions for CSOM *140*

10. Reporting Template with Illustrative Cases **143**
(Infections of External and Middle Ear)
Smita Manchanda, Ashu Seith Bhalla
Reporting Template *143*; Case 1 *144*; Case 2 *146*; Case 3 *148*; Case 4 *150*; Case 5 *152*

Section 4: Inner Ear, Internal Auditory Canal and Cochlear Implant

11. Congenital Anomalies of Inner Ear **157**
Manisha Jana, Ashu Seith Bhalla
Embryology *157*; Classification *158*; Specific Anomalies *159*; Other Classification Systems *176*; Syndromes and IEMS *178*

12. Imaging of the Internal Acoustic Canal **179**
Smita Manchanda, Ajay Garg
Normal Anatomy *179*; Congenital IAC Malformations *181*; Vascular Loops *185*; Tumors of the Internal Acoustic Canal *187*; Abnormal Enhancement in IAC (Apart from Tumors): Neuritis *191*; Cochlear Nerve Abnormalities *192*

13. Cochlear Implant: Surgical Perspectives **197**
Kapil Sikka, Hitesh Verma
Indications for Cochlear Implant *197*; Preoperative Evaluation for Cochlear Implant *199*; Contraindications for Cochlear Implant *199*; Conditions that Modify Surgical Technique/Type of Cochlear Implant *199*; Conditions that Increase Surgical Complications *200*; Types of Surgical Implants *200*; Surgical Approaches *201*; Intraoperative Evaluation *203*; Postoperative Evaluation *203*

14. Imaging in Cochlear Implant **205**
Manisha Jana, Ashu Seith Bhalla, Surabhi Vyas
Preoperative Imaging *205*; Recap *220*; Structured Reporting Format *221*; Intraoperative Imaging *221*; Postoperative Imaging *221*

15. Reporting Template and Illustrative Cases **223**
Smita Manchanda, Manisha Jana
Reporting Template CT *224*; Reporting Template MRI *225*; Case 1 *226*; Case 2 *228*; Case 3 *230*; Case 4 CT *232*; Case 4 MRI *234*; Case 5 CT *236*; Case 5 MRI *238*

Section 5: Tumors

16. Tumors and Tumor-like Conditions **243**
Chandrashekhara SH, Aanchal Kakkar, Manisha Jana
Classification of Temporal Bone Tumors *243*; Imaging *248*; External Auditory Canal Tumors *249*; Middle And Inner Ear Tumors *254*

17. Temporal Bone Tumors: Surgical Perspective **272**
Arvind Kumar Kairo, Suresh C Sharma
External Auditory Canal Carcinoma *272*; Jugulotympanic Paragangliomas *277*

18. Reporting Template with Illustrative Cases *(Tumors)* **283**
Smita Manchanda, Manisha Jana
Reporting Template *283*; Impression *283*; Case 1 *284*; Case 2 *286*; Case 3 *288*; Case 4 *290*

Section 6: Location Based Approach

19. Approach to External Ear, Middle Ear, and Lateral Skull Base **295**
Smita Manchanda, Ashu Seith Bhalla
Approach to External Ear Abnormalities *295*; Middle Ear Cavity *300*; Lateral Skull Base *308*

20. Imaging of the Labyrinth **314**
Ashu Seith Bhalla, Smita Manchanda
Pathologies of the Labyrinth *315*; Pathologies of the Osseous Labyrinth *324*

21. Windows of the Ear: Imaging **329**
Surabhi Vyas, Ashu Seith Bhalla, Gh Mohammad Wani
Oval Window *331*; Round Window *337*; Third Window *340*

22. Petrous Apex Lesions: Imaging **345**
Priyanka Naranje, Ajay Garg, Ankur Goyal
Classification *346*; Imaging Approach *356*

Section 7: Miscellaneous

23. Temporal Bone Trauma **359**
Atin Kumar, Shivanand Gamanagatti
Classification *359*; Specific Types of Fractures *362*; Normal Variants Mimicking Fractures *366*; Specific Situations *368*; Teaching Points *369*

24. Reporting Template with Illustrative Cases (Trauma and Fibrous Dysplasia) **371**
Smita Manchanda
Reporting Template *371*; Impression *371*; Case 1 *372*; Case 2 *374*; Case 3 *376*; Case 4 *378*

Section 8: Clinico Radiological Approach

25. Approach to Hearing Loss **383**
Hitesh Verma, Priyanka Naranje, Vinit Baliyan
Types of Hearing Loss *383*; Degree of Hearing Loss *385*; Pattern of Hearing Loss *385*; Diagnosis *386*; Imaging *387*; Specific Conditions *390*; Congenital Hearing Loss *397*

26. Approach to Vertigo **399**
Shuchita Singh, Devasenathipathy Kandasamy
Relevant Imaging Anatomy *399*; Clinical Presentation *399*; Diagnostic Approach *400*; Classification of Vertigo *400*; Imaging *401*; Management *404*

27. Approach to Tinnitus **406**
Devasenathipathy Kandasamay, Shuchita Singh
Pathophysiology *406*; Clinical Presentation *407*; Types *407*; Causes *408*; Diagnosis *408*; Imaging *408*; Management *414*; Prognosis *414*

28. Approach to Facial Nerve Palsy **415**
Arvind Kumar Kairo, Chandrashekhara SH
Anatomy *415*; Causes *415*; Diagnosis *417*; Role of Imaging *420*; Treatment *422*

Section 9: Examination Section

29. Subjective Assessment and MCQs **427**
Anuradha Singh
Section A: Subjective Assessment *427*; Section B: MCQs *428*

30. Spotters **447**
Ashu Seith Bhalla, Manisha Jana
Key *459*

Index **461**
