Contents

Section One: Introduction to Anatomy

1. The Basics 1
2. The Skin and Its Appendages 4
3. The Bones, Cartilages and Joints 9
4. The Muscles and the Fasciae 16
5. The Blood Vascular System 21
6. The Lymphatic System 26
7. The Nervous System 29

Section Two: The Upper Extremity

8. The Bones of the Upper Extremity 43
9. The Joints of the Upper Extremity 55
10. The Shoulder Region and Superficial Back Region 65
11. The Upper Arm and the Elbow Region 78
12. The Region of Forearm 85
13. The Region of Wrist and Hand 95

Section Three: The Lower Extremity

14. The Bones of the Lower Extremity 113
15. The Joints of the Lower Extremity 129
16. The Hip Region 141
17. The Region of the Thigh 146
18. The Region of the Leg 161
19. The Region of the Foot 168

Section Four: The Thorax

20. The Bones and Joints of Thorax 183
21. The Musculature of the Thoracic Wall 194
22. The Pleura and Lungs 206
23. The Pericardium and the Heart 215
24. The Mediastinum 228

Section Five: The Abdomen

25. The Anterior Abdominal Wall and the Inguinal Region 243
26. The Peritoneum 259
27. The Gastrointestinal System-1 271
28. The Gastrointestinal System-2 289
29. The Kidneys, Suprarenals and the Posterior Abdominal Wall 303

Section Six: The Pelvis

30. The Bones and Joints of the Pelvis 322
31. The Fasciae, Muscles, Blood Vessels and Nerves of the Pelvis 327
32. The Perineum 335
33. The Pelvic Viscera-1 346
34. The Pelvic Viscera-2 359

Section Seven: The Head and Neck

35. The Bones of the Head and Neck 371
36. The Joints, Fasciae and Deep Muscles of the Back of Head and Neck 391
37. The Scalp, Face and the Cranial Cavity 400
38. The Parotid Region, Temporal and Infratemporal Fossae 417
39. The Triangles of the Neck 427
40. The Muscles, Glands, Blood Vessels and Nerves of the Front of Neck 435
41. The Viscera of the Head and Neck-1 452
42. The Viscera of the Head and Neck-2 460

Section Eight: The Spinal Cord, Brain, Eyes and the Ears

43. The Spinal Cord 481
44. The Meninges and Blood Supply of Brain 486
45. The Hind-Brain and Mid-Brain 492
46. The Forebrain 502
47. The Cranial Nerves 517
48. The Eyes 525
49. The Ears 536
