Competency Based LOGBOOK for
General Surgery and Allied Subjects

Competency Based Logbook for General Surgery and Allied Subjects records competencies achieved by medical students, in accordance with the competency based UG curriculum 2019 for General Surgery and allied subjects including Anesthesia, Orthopedics and Radiology. AETCOM competencies and exercises have also been included in this logbook.

- First of a kind logbook in General Surgery for MBBS students.
- Competencies and subcompetencies to be achieved are grouped according to subjects and topics number-wise.
- Record of attendance of medical conferences and academic presentations.
- Record of surgical procedures performed under supervision.
- Record of clinical case presentations.
- Dedicated logbook section with template for easy record of clinical cases attended in clinics and wards.

Anurag Mishra MBBS MS DNB MNAMS FAIS FACS is a reputed surgeon and teacher working as Professor (Surgery), Maulana Azad Medical College, Lok Nayak Hospital, New Delhi, India. He is keenly interested in academics, student welfare and research. To promote students all round development, he founded programs, such as Gurukool, Mashaal, Satyanveshi, DOCS, DOST and many more.
