MIDWIFERY CASEBOOK

for PC BSc Nursing

Midwifery Casebook for PC BSc Nursing provides a broad-based knowledge aimed to build upon the skills and competencies acquired at the Diploma in Nursing level. It is specifically directed to the upgrading of critical thinking skills, competencies and standards required for practice of professional nursing and midwifery.

This casebook is designed as per the clinical requirements of 1st year PB BSc (N), Maternal Nursing.

Key Features

- Helps the students to collect the relevant information in a systematic and orderly manner
- Provides information to students for the assessment and examination of the mothers during antenatal, intranatal and postnatal period
- Assists the students to get practical information regarding the mothers who undergo operative and abnormal deliveries
- Helps the students to gain skill regarding the family planning methods
- Assists the students to provide comprehensive care to mother and the newborn baby
- Also helps the clinical instructors to guide the students in their daily clinical practices.

Gowri Sayee Jagadesan is working as Professor and HOD, Department of Obstetrics and Gynecological Nursing at Fortis Institute of Nursing, Bengaluru, Karnataka, India, from the year 2007. She completed her graduation (Nursing) from Omayal Achi College of Nursing, Chennai and postgraduation from Sarvodaya College of Nursing, Bengaluru.

She started her career as a Clinical Instructor at Omayal Achi College of Nursing, then Nursing Tutor at MS Ramaiah Institute of Nursing Education and Research and AECS Maruthi College of Nursing, Bengaluru. After completing her postgraduation, she continued her career as a Lecturer at Rajiv Gandhi College of Nursing and T John College of Nursing, Bengaluru.

During the period of 19 years of teaching experience, she has participated in various national and international conferences as a participant as well as a resource person. She is a Member in the examination panel for Rajiv Gandhi University of Health Sciences, Karnataka and Dr MGR Medical University, Chennai. She is a Registered Professional Member in the professional organizations such as Tamil Nadu Nursing Council, Karnataka Nursing Council and Trained Nurses' Association of India. She is an Auditor for International Certification Services (ICS) for the Nursing Colleges.

From the year 2014, she has extended her interest towards the Infant and Young Child Feeding (IYCF) Practices. She is a Lactation Counseling Specialist and also has upgraded herself as a National Trainer through the capacity building training programs conducted by Breastfeeding Promotion Network of India (BPNI), Delhi. As a Lactation Specialist, she has participated in Breastfeeding Week Programs and also as a Resource Person for the training programs.
