Contents

1. **Assessment of Renal Function** 1
   R Kasi Visweswaran, Praveen Namboodiri
2. **Assessment of Renal Reserve** 12
   SC Tiwari, Sandeep Mahajan
3. **Approach to a Patient with Proteinuria and Hematuria** 15
   M Thomas Mathew
4. **Approach to a Patient with Fluid and Electrolyte Imbalance** 21
   NP Singh, Anupam Prakash
5. **Approach to Acid Base Disorders** 29
   VK Vijayan
6. **Nephrotic Syndrome** 38
   KL Gupta, Zulfikar Jabbar
7. **Acute Glomerulonephritis** 45
   Ashok L Kirpalani, Hardik Shah
8. **Rapidly Progressive Glomerulonephritis** 51
   OP Kalra
9. **Pregnancy and Renal Disease** 57
   K Tripathi, Jai Prakash
10. **Preventive Strategies for Diabetic Nephropathy** 66
    OP Kalra
11. **Management of Hyperglycemia in Diabetic Nephropathy** 78
    SV Madhu
12. **Chronic Tubulointerstitial Diseases** 82
    Sanjay Gupta
13. **Drug Induced Renal Disease** 87
    Alan F Almeida
14. **Cystic Diseases of the Kidney** 94
    Navdeep S Khaira, Parampal Singh
15. **Approach to a Patient with Urinary Tract Infection** 108
    OP Kalra, Alpana Raizada
16. **Urinary Infections in Diabetes Mellitus** 116
    Sydney D'souza, Arun S, Alam Nawaz
17. **Tuberculosis in Patients with Chronic Kidney Disease** 123
    AK Hooda, PP Varma

18. HIV and Renal Disease **128**
Trevor E Gerntholtz, Ivor J Katz

19. Preventive Strategies for Acute Kidney Injury **136**
OP Kalra, AK Bhalla, Sunit Ojha

20. Acute Kidney Injury in Intensive Care Unit **145**
HS Kohli

21. Approach to a Patient with Acute on Chronic Renal Failure **153**
OP Kalra

22. Prevention of Progression of Chronic Kidney Disease **160**
Saurabh Pokhariyal, Sanjeev Gulati, Vijay Kher

23. Staging of Chronic Kidney Disease **166**
Anil Yadav, Alpana Raizada, OP Kalra

24. Epidemiology of Chronic Kidney Disease in India **170**
Sanjay K Agarwal

25. Approach to a Patient with Hypertension **174**
Anil Yadav, A Raizada

26. Hypertension in Chronic Kidney Disease **181**
RG Singh, Aashish Parekh

27. Management of Anemia in Patients with Chronic Kidney Disease **188**
Manish Rathi, Vinay Sakhuja

28. Coagulopathy in Chronic Kidney Disease **196**
Nandini Mukherjee

29. Disturbances of Calcium and Phosphorus Metabolism and their Consequences in Chronic Kidney Disease **204**
DS Rana

30. Nutrition in Patients with Chronic Kidney Disease **216**
Anita Saxena, RK Sharma

31. Dyslipidemia in Chronic Kidney Disease **224**
Ashok K Das, Venkateswaran R

32. Smoking and Renal Disease **229**
OP Kalra

33. Cardiovascular Disease in Chronic Kidney Disease **236**
Mohan M Rajapurkar, Mahesh Rokade

34. Infections in Patients with Renal Disease **243**
Ramadas Pisharody, PG Sreepa

35. Use of Vaccines in Patients of Chronic Kidney Disease **249**
S Agarwal, OP Kalra

36. Use of Analgesics in Patients with Renal Disease **254**
Sham Sunder

37. Modification of Drug Dosage in Patients with Renal Disease 258
Sandeep Mahajan, Ambar Khaira

38. Preoperative Evaluation and Optimization in Renal Disease 263
Rajeshwari Subramaniam

39. Medical Treatment of Urolithiasis 274
Sanjay Gupta

40. Medical Treatment of Benign Prostatic Enlargement 283
Sanjay Gupta

41. Therapeutic Options for a Patient with End Stage Renal Disease 291
Narayan Prasad, Amit Gupta

42. Timely Referral to a Nephrologist 299
Vivekanand Jha

43. Role of Primary Care Physician in Prevention of Chronic Kidney Disease 308
Manjula Datta, MK Mani
