Contents

SECTION I: BASIC SCIENCES

1.1 Immunologic Considerations in the Management of HIV Infected Children **3**
Savita Pahwa

1.2 Virology and Laboratory Diagnosis of HIV Infection in Infants and Children **21**
Niel T Constantine, Douglas C Watson

1.3 Natural History of HIV in Children **41**
Patricia J Emmanuel, Rahul Mhaskar, Asmita Mhaskar

1.4 Pharmacotherapy of Pediatric HIV Infection **47**
Viraj B Mehta, Jaideep A Gogtay

SECTION II: CLINICAL MANIFESTATIONS OF HIV INFECTION IN CHILDREN

2.1 Clinical Manifestations of HIV/AIDS in Children: An Overview **71**
Rashid H Merchant, Mumtaz Sharif, Mamatha M Lala

2.2 Dermatological Manifestations of HIV in Children **86**
Anisa Mosam

2.3 Ocular Manifestations in Children with HIV **98**
Rohan Chauhan, Deepa A Banker, Alay S Banker

2.4 HIV/AIDS: A Pediatric Dentistry Perspective **108**
Abdulkadeer M Jetpurwala, Priti S Jain

2.5 Neurological Manifestations of HIV in Children **131**
Nigam Prakash Narain, Mritunjay Kumar

2.6 Pulmonary Manifestations in Children with HIV **144**
Mamatha M Lala, Rashid H Merchant

2.7 Cardiac Manifestations in HIV Infected Children **156**
Dorothy M Myridakis, Fuad Kiblawi, Shubhika Srivastava

2.8 Hematological Aspects and Management of Pediatric HIV Disease **161**
Rajendra Thejpal

2.9 Renal Disease in Pediatric HIV Infection **170**
Steven Welch

2.10 Gastrointestinal and Hepatobiliary Manifestations in Children with HIV **181**
Jose T Ramos, Maria Isabel González Tome

2.11 Growth/Development/Puberty in HIV Infected Children and Disorders of the Same **196**
Edna Siima Majaliwa, Valentina Chiavaroli, Angelika Mohn, Francesco Chiarelli

2.12 Malignancies Associated with Pediatric HIV Infection **212**
Shelleye-Anne Bailey, Ninad Desai

2.13 Opportunistic Infections in HIV Infected Children **219**
Raziya A Bobat, M Archary

2.14 HIV and Tuberculosis Co-infection in Children **239**
N Poorana Ganga Devi, VV Banurekha, Soumya Swaminathan

2.15 Hepatitis B Co-infection in HIV Infected Individuals with Special Reference to Children **253**
Eknath Naik, Beata Casanas, Chiriboga Daniella, Michael Breglia, Sandra Gompf

2.16 Hepatitis C Co-infection in HIV Infected Individuals with Special Reference to Children **265**
Eknath Naik, Beata Casanas, Chiriboga Daniella, Michael Breglia, Sandra Gompf

2.17 Malaria and HIV Infection **273**
Vikram Kumar, Sanjiv Lewin

2.18 Immune Reconstitution Inflammatory Syndrome in Children **278**
James JC Nuttall

2.19 The HIV Infected Child in the Emergency Department **292**
Clàudia Fortuny-Guasch, Antoni Noguera-Julian

SECTION III: WOMAN, NEWBORN AND HIV

3.1 A Guide to the Clinical Care of Pregnant Women with HIV **307**
Jyoti Dhar

3.2 Vertical Transmission of HIV: An Update **331**
Mamatha M Lala, Rashid H Merchant, Kaizad R Damania

3.3 Prevention of *In Utero* and Intrapartum HIV: Mother-to-Child Transmission: The Safety and Efficacy of Antiretroviral Therapy **338**
Graham P Taylor

3.4 Care of a Child Born to a HIV Positive Mother **356**
Radhika Singh

3.5 Breastfeeding Issues in the Context of HIV **367**
Anna Coutsoudis, Gurpreet Kindra

3.6 Perinatal HIV and Tuberculosis Infection and Management **375**
Mirium Adhikari

SECTION IV: HIV AND THE ADOLESCENT

4.1 Growing Up with HIV: The Challenges and Concerns Associated with Perinatally Infected HIV-1 Positive Youth **389**
Sunanda Gaur, Patricia Whitley Williams, Amisha Malhotra

4.2 Neurodevelopmental, Neurocognitive and Neuropsychological Outcomes in Adolescents with Perinatal HIV-1 Infection **404**
Gail Burack, Roseann Marone

SECTION V: MANAGEMENT ISSUES OF HIV INFECTED CHILDREN

5.1 An A, B, C, D Approach to Nutrition in the HIV Infected Child **417**
Luise V Marino, Madhavi Sathe

5.2 Vaccinations for HIV Infected Children **445**
Jacob T John

5.3 Management of HIV Infection During Infancy **451**
Brian S Eley, James JC Nuttall

5.4 Prevention of Opportunistic Infections and Other Infectious Complications of HIV in Children **464**
Mukesh Agrawal

5.5 Risks and Management of Occupational and Nonoccupational Exposure in Pediatric HIV **487**
Rewari BB, Pensi Tripti

5.6 Managing Failing ART Regimens in Children **498**
Tammy Meyers

5.7 Laboratory Monitoring of HIV in Children **510**
Janak A Patel

5.8 Antiretroviral Treatment Toxicities in Children **518**
Maria Isabel González Tome, Jose T Ramos

5.9 Adherence to Antiretroviral Therapy in Children—Challenges and Strategies **533**
Cherie-Ann Pereira, Mamatha M Lala, John Farley

SECTION VI: MISCELLANEOUS ISSUES

6.1 HIV-1 Drug Resistance **553**
Roger Paredes, Josep M Llibre, Bonaventura Clotet

6.2 Psychosocial Issues in Children Infected/Affected with HIV **573**
Brie-Anne Kohrt, Lori Wiener, Maryland Pao

6.3 Professional, Ethical and Legal Issues for the Indian HIV Infected Child **586**
Suganthi Iyer

6.4 Nursing Issues in Children with HIV **598**
Margaret Clapson, Jackquie Flynn

6.5 Care of an HIV Positive Child in Day-to-Day Life **602**
Margaret Clapson, Jacquie Flynn

6.6 Orphans of the AIDS Epidemic **606**
SN Mothi

6.7 Interventions of the NGOs Caring for HIV Infected/Affected Children in India **610**
Paramita Ghosh, Jayanta Kumar Basu

List of NGOs Working for Orphans and Vulnerable Children in India **615**

Index ***621***
