CONTENTS

SECTION 1: PHYSIOLOGICAL AND DEVELOPMENTAL ISSUES

1. **Normal Puberty** 3
   Laxmi Maru
   Timing of puberty 3
   The physiology of puberty 4
   Physical changes during puberty 6
   Summary of pubertal events 8

2. **Precocious Puberty** 10
   Ratna Thakur, Roza Olyai, Pratibha Singh
   Causes/Etiopathogenesis 10
   Treatment 13

3. **Delayed Puberty** 17
   DK Dutta, Indranil Dutta, Jayeeta Roy
   Causes of delayed puberty 17
   Diagnosis of delayed puberty 19
   Management 20

4. **Cervical Epithelium in the Adolescents** 22
   Kavita N Singh, Shashi Khare
   The transformation zone (TZ) 22
   Association of HPV with cancer cervix 24
   Significance of age at marriage 24
   Nutritional requirements of the epithelium 24

SECTION 2: MENSTRUAL AND ENDOCRINAL ISSUES

5. **Management of Premenstrual Syndrome** 29
   Nick Panay, Kate Maclaran, Annie Hawkins
   Assessment and diagnosis 29
   Management 30
   Hormonal treatment 31
   Patient support and information 33

6. **Dysmenorrhea in Adolescence** 35
   Madhuri Alwani, Ratna Thakur
   Classification 35
   Clinical manifestations 36

Epidemiology 36
Pathophysiology 36
Management 37
Newer trends in dysmenorrhea 39

7. **Abnormal Uterine Bleeding in Adolescents 35**
Somen Bhattacharjee
Physiology 42
Coagulation disorder 42
Pregnancy complications 43
Others causes of AUB in adolescents 44
Evaluation 44
Treatment of AUB 46
Prognosis 48
Patient education 48

8. **Amenorrhea and Oligomenorrhea in Adolescence 51**
Shilpa Sapre, Deepa Joshi, Sunita Mishra
Amenorrhea 51
Etiology 51
Management and treatment 55
Oligomenorrhea 58
Management of oligomenorrhea 59

9. **Polycystic Ovarian Syndrome in Adolescent Girls 61**
DK Dutta, Indranil Dutta
Overview 61
Pathophysiology 62
Genetic factors in the etiology of PCOS 63
Sequelae of PCOS 66
Management 68

SECTION 3: CONTRACEPTION, PREGNANCY AND ABORTION

10. **Premarital Counseling and Vaccines 77**
Shilpa Thaker, Roza Olyai
Premarital counseling 77
Premarital vaccination 79

11. **Contraception for Adolescents 84**
Lola Ramachandran
Barrier methods of contraception 86
Combined estrogen progestin methods 86
DMPA 87
Progesterone only pill, implanon, norplant 88

Intrauterine contraceptive device (IUD) 88
Emergency Contraception (EC) 89

12. MTP in Adolescents: How to Handle It? 92
Abha Singh
Pregnancy in adolescents 92
Responsible factors 92
Abuses of adolescent pregnancy 93
Treatment of adolescent pregnancy 93
Counseling before MTP 94
Informed consent 94
Methods 95

13. Teenage Pregnancy 97
Priti Bala Sahay, Archana Kumari
Global Incidence 97
Impact of age on pregnancy outcome 98
Impact of pregnancy on teenagers 98
Causes of teenage pregnancy 98
Complications of teenage pregnancy 98
Teenage pregnancy in unmarried girls:
The problem of unsafe abortion 100
Preventing teenage pregnancy 101

14. Fertility Preservation in Adolescent Girls 104
Alka Kriplani, Divya Awasthi
Indications of fertility preservation in girls 104
Options for fertility preservation in girls 106
Ethical issues in fertility preservation 110

15. Sexually Transmitted Diseases including HIV and AIDS 112
Basab Mukherjee
Awareness of STIs and HIV in adolescents in India 112
Problems specific to adolescents 113
Symptoms of STIs 114
Diagnosis and management of STIs 114
Consequences of STIs 115
Prevention 115

SECTION 4: ADOLESCENT GYNECOLOGICAL ISSUES

16. Diagnosis and Management of 119
Endometriosis in Adolescents
Prashanth K Adiga, Roza Olyai
Management 120
Surgical management 121

17. Fibroid Uterus in the Adolescent Girls 124
Gita Guin, Shashi Khare
Predisposing factors 124
Differential diagnosis 125
Investigations 125
Management 125

18. Non-Malignant Ovarian Lesions—A Cause of Concern and Caution in Adolescents 130
Aruna Kumar, Deepti Gupta
Incidence 130
Classification 131
Symptomatology 131
Etiology 132
Ovarian cysts 132
Diagnosis 135
Management 138
Follow-up 139
Prognosis 140
Screening 140
Fertility preservation 140

19. Adolescent Gynecological Malignancies 143
Krishna Kavita Ramavath
Pelvic tumors in adolescence 144
Ovarian tumors 144
Embryonal carcinoma of the ovary 150
Polyembryoma 151
Choriocarcinoma of the ovary 151
Mixed germ cell tumors 152
Gonadoblastoma 152
Sex-cord stromal tumors of the ovary (SCST) 152
Granulosa – stromal cell tumors 153
Sertoli-leydig cell tumors 153
Epithelial ovarian tumors 153
Gestational trophoblastic disease (GTD) 154
Surveillance after diagnosis of Gestational trophoblastic disease 155
Uterine neoplasms 155
Uterine sarcomas 155
Endometrial hyperplasia and carcinoma 156
Malignancies of cervix and vagina 156
Rhabdomyosarcoma (RMS) 156
Clear cell adenocarcinoma 158
Squamous cell carcinoma of the cervix 158
Fertility preservation and future 159

20. **Anemia in Adolescents** **162**
Jayam Kannan, Malathi G Prasad
Consequences of anemia in adolescents 162
Risk factors 163
Anemia prevention and control 163
Justification for targeting adolescent anemia 163
Principles governing use of oral iron 165

21. **Management of Adolescent Genital Tract Abnormalities** **167**
Saria Tasnim
Incidence 167
Development of the genital tract 167
Type of abnormalities 168
Diagnosis 171
Management 171

SECTION 5: IMAGING, LAPAROSCOPY AND ROBOTICS

22. **Imaging in the Adolescent Girls** **181**
Gita Guin, Shashi Khare
X-ray 181
Ultrasonography 181
CT scan and MRI 183
Nuclear medicine 184

23. **Endoscopic Surgery in Adolescent Girls**
Prakash Trivedi, Anita Budania **186**
Indications of endoscopic surgery in adolescents 186
Adhesions in severe endometriosis 188
Laparoscopic appendectomy in adolescents 191
Laparoscopic presacral neurectomy for severe dysmenorrhea 191

24. **Robotic Surgery: Emergence of a New**
Gynecological Paradigm **193**
Krishna Kavita Ramavath
Development of robotic surgical systems—a brief history 194
Comparison of conventional laparoscopic surgery vs
robotic surgery 195
The da vinci robotic system 196
Applications of the da vinci in the treatment of
tumors and cancers 199
Robotic surgery in adolescent gynecology 201
Robotic surgery in gynecology 202
Social issues, life skills and counseling 207

SECTION 6: SOCIAL ISSUES, LIFE SKILLS AND COUNSELING

25. Adolescence and Life Skill Education 209
Preeti M Galagali
Theoretical basis of life skills and life skill education 209
Categories of life skills 210
Relevance of life skill education in adolescence 211
Rationale of launching an adolescent life skill program in india targeting high-risk behavior 212
Contents and methodology of an adolescent life skill education 214
Effectiveness of a life skill program: Current and future research 215
Life skill programs: International and national 216

26. Stress in Adolescents and Coping 219
JS Tuteja, CP Bansal
Adolescence 219
Physiology of stress 220
Approach to stress relief in teens 226

27. Adolescent Counseling—Are We Well-Versed? 230
Pratima Mittal, Kirti Sharma
Providers attributes 231
Counseling approach 231
Components of adolescent counseling 234
Challenges in adolescent counseling 235
Some common mistakes 237
Time requirement for counseling 237
Adolescent friendly health services 237
Summary and conclusion 238
Key points 238

28. Handling Peer Pressure: Learn to say No! 240
Rajiv Mohta
When peer pressure is good 240
Facts about the teen-parent relationship 241
Facts about peer friendships 242

29. Risk Taking Behaviors by Adolescents 247
Atul Kanikar
Sexual experimentation and unsafe sexual activity 247
Sexual abuse and rape 249
Substance abuse 252
Careless driving 256
Media addictions and crime 257
Loss of interest in school and studies 260
Inappropriate financial management 263
Poor eating habits 264

SECTION 7: ADOLESCENT FRIENDLY HEALTH SERVICES: BUILDING CAPACITY

30. **Ready to Decide? Evolving Capacities, Young Women and Sexual And Reproductive Health** **269**
Kat Watson, Arushi Singh
Evolving Capacities 270

31. **Adolescent Health and Role of the Corporate Social Responsibility** **274**
AK Khanna
Challenges for the youth today and tomorrow 274

32. **Adolescent Friendly Health Centers** **277**
Roza Olyai
Why focus on adolescents? 277
Adolescent friendly health services 278
Adolescent friendly health clinics 282
Expected challenges in setting up adolescent centers 282

Index 285
