Contents

1. Introduction to the Human Skull 1

- *A Preliminary Look at the Skull 1*

2. The Skull as a Whole 3

- *General Review of the Skull 3*
- *The Skull as seen from the Front 9*
- *The Orbit 12*
- *The Skull as seen from Above 15*
- *The Skull as seen from Behind 16*
- *The Skull as seen from the Lateral Side 16*
- *The Skull as seen from Below 23*
- *The Cranial Fossae 33*
- *Detailed List of Foramina of the Skull and of Structures Passing Through Them 37*
- *The Nasal Cavity 42*
- *The Paranasal Sinuses 44*

3. Individual Bones of the Skull 49

- *The Mandible 49*
- *The Maxilla 54*
- *The Zygomatic Bone 58*
- *The Frontal Bone 59*
- *The Parietal Bone 60*
- *The Occipital Bone 62*
- *The Temporal Bone 64*
- *The Sphenoid Bone 67*
- *The Palatine Bones 71*
- *The Ethmoid Bone 72*
- *Some Small Bones 72*
- *The Hyoid Bone 73*

4. Some Muscles of Head and Neck 75

- *Buccinator 75*
- *Temporalis 76*
- *Masseter 77*
- *Origin of Pterygoid Muscles 77*
- *Medial and Lateral Pterygoid 78*
- *Platysma 79*

- *Sternocleidomastoid 80*
- *Infrahyoid Muscles 81*
- *Lateral Vertebral Muscles 83*
- *Anterior Vertebral Muscles 84*
- *Suboccipital Muscles 85*
- *Erector Spinae 86*
- *Splenius Capitis 87*
- *Semispinalis Capitis 87*

5. The Vertebral Column 88

- *Structure of a Typical Vertebra 88*
- *A Typical Cervical Vertebrae 94*
