Contents

1. Pediatric Osteoarticular Infections—Epidemiology 1

Bhavuk Garg, Aditya N Aggarwal

- Nontubercular Osteoarticular Infections *1*
- Osteoarticular Tubercular Infections *6*

2. Laboratory Diagnosis of Osteoarticular Infections in Children 10

Vikas Manchanda, Nalini Singh

- Clinical Background *10*
- Collection of Specimens *10*
- Transport and Handling *11*
- Synovial Fluid Analysis *12*
- Blood Investigations *15*
- Tissue *17*
- Molecular Diagnosis *17*
- Considerations in Diagnosis of Acute Hematogenous Osteomyelitis *18*
- Special Situations *18*
- Algorithms for Laboratory Diagnosis *20*

3. Conservative Treatment of Acute Osteoarticular Infections 25

Anil Agarwal, Aditya N Aggarwal, Ravi Sreenivasan

- Systemic Antibiotics and Local Aspiration *25*
- Other Medications *26*
- Local Splintage and Rehabilitation *27*
- Nutrition *27*
- Hydration *28*
- General Care *28*

4. Surgical Interventions in Osteoarticular Infection—Indications, Procedures and Postoperative Management 30

Alok Sud

- Acute Hematogenous Osteomyelitis *30*
- Acute Suppurative Arthritis *32*
- Chronic Osteomyelitis *42*
- Bone Defect Reconstruction Following Chronic Osteomyelitis in Children *43*

5. A Sick Child with Sepsis (Including Osteoarticular Infections): ICU Management 50

Mamta Jajoo, Ridhi Gupta

- Initial Assessment, Observation, Identification of Critically Sick Child and Triage *50*
- Stabilization of Critically Sick Child Including Management of Airway, Breathing and Circulation *50*
- Definitions of Pediatric Sepsis *51*
- Osteoarticular Infections as a Specific Cause of Neonatal Sepsis *54*
- Laboratory Investigations *55*
- Differential Diagnosis and Specific Treatment *55*

- Monitoring and Supportive Care *56*
- Parental Counseling *58*

6. Septic Arthritis in Children **60**

Anil Agarwal, Aditya N Aggarwal

- Pathogenesis *60*
- Causative Organisms *61*
- Epidemiology *62*
- Clinical Manifestations *62*
- Diagnosis *63*
- Differential Diagnosis *66*
- Treatment *66*
- Follow-up *69*
- Complications *70*

7. Sequelae of Septic Hip and its Reconstruction **75**

Anil Agarwal, Aditya N Aggarwal

- Pathophysiology *75*
- Natural History of the Septic Arthritis of Hip *76*
- Clinical Findings in Sequelae of Septic Hip *76*
- Classifications of Sequelae of Septic Hip in Children *76*
- Treatment *78*

8. Acute Hematogenous Osteomyelitis **93**

Anil Agarwal, Aditya N Aggarwal

- Pathogenesis *93*
- Causative Organisms *94*
- Osteomyelitis Caused by MRSA: The "Aggressive" Osteomyelitis *95*
- Epidemiology *95*
- Clinical Manifestations *95*
- Diagnosis *97*
- Differentiation between MRSA and MSSA Osteomyelitis in Children *99*
- Concomitant Hematogenous Osteomyelitis and Septic Arthritis *99*
- Differential Diagnosis of AHO *99*
- Treatment *100*
- Follow-up *103*
- Complications *103*

9. Chronic Osteomyelitis **107**

Ish K Dhammi, Rehan-Ul-Haq, K Kalaivanan

- Pathogenesis *107*
- Causative Organisms *108*
- Epidemiology *108*
- Clinical Findings *108*
- Diagnosis *108*
- Classification *110*
- Management *112*
- Clinical Decisions in the Management of Chronic Osteomyelitis *112*
- Complications *117*
- Prognosis *117*

10. Atypical Osteomyelitis and Other Musculoskeletal Infections 121
Vikas Gupta, Anil Agarwal
- Atypical Osteomyelitis *121*
- Pyomyositis *133*
- Necrotizing Fasciitis *134*
- Human and Animal Bites *135*
- Osteomyelitis following Open Injuries in Children *135*

11. Pediatric Hand Infections 139
Bhavuk Garg, PP Kotwal, Vikas Gupta
- General Principles of Pediatric Hand Infections *140*
- Specific Infections *140*
- Special Situations *144*

12. Tuberculosis of Spine in Children 147
Anil K Jain, Ravi Sreenivasan, R Mukunth
- Growth of Spine *147*
- Tuberculosis of Spine in Children: Onset of Deformity *149*
- Diagnosis *150*
- Treatment *150*
- Correction of Kyphosis *153*
- Late Onset Paraplegia or Paraplegia with Healed Disease *159*
- Instrumentation in Children *161*

13. Tuberculosis of Hip in Children 163
Sudhir Kumar, Anil Agarwal
- Historical Review *163*
- Pathogenesis *164*
- Establishing a Diagnosis *164*
- Management *167*
- Prognosis *169*

14. Drug-resistant Osteoarticular Tuberculosis and Coinfection with HIV 172
Anil Agarwal, Aditya N Aggarwal
- Definitions *172*
- Epidemiology *173*
- When to Suspect *173*
- Laboratory Findings *174*
- Treatment *175*
- HIV Coinfection *180*

15. Advances and Research in Pediatric Osteoarticular Infections 182
Shobha S Arora
- Nontubercular Infections *182*
- Osteoarticular Tuberculosis *185*

Index *191*
