Contents

Section 1: General Considerations

1. **General Workup of the Foot and Ankle Patient** 3
   John S Gould
2. **Making the Diagnosis and the Discussion of Management with the Patient** 5
   John S Gould
3. **Dealing with Referring Physicians** 8
   John S Gould
4. **When to Refer a Patient?** 9
   John S Gould
5. **When and How to Discharge a Patient from Your Practice?** 11
   Robert M Crabtree, John S Gould
6. **The Operating Room** 12
   John S Gould
7. **The Follow-up Clinic** 15
   John S Gould
8. **Managing Complications** 17
   John S Gould
9. **Working with Residents and Fellows** 18
   John S Gould
10. **Administration and Organization of the Subspecialty Office** 20
    Judith W Smith
11. **Clinical and Basic Research** 24
    Catherine Cunningham, Siddhant K Mehta, Sheldon S Lin

Section 2: Forefoot Problems

12. **Bunions (Hallux Valgus)** 35
    Emilio Wagner, Cristian Ortiz, Pablo Wagner
13. **Hallux Rigidus and Arthritis of the First Metatarsophalangeal Joint** 46
    John S Gould
14. **Second Hammer Toe and Cross-over Toe** 56
    John S Gould

15. Other Lesser Toe Problems 61
John S Gould

16. Great Toe Sesamoid Problems 66
John S Gould

Section 3: Midfoot Problems

17. Tarsometatarsal and Midtarsal Joint Arthritis 73
Bruce Cohen

18. Fourth and Fifth Tarsometatarsal Arthritis 76
Bruce Cohen

19. Stress Fractures of the Tarsal Navicular 79
Bruce Cohen

20. Avascular Necrosis of the Tarsal Navicular 83
Bruce Cohen

Section 4: Hindfoot Problems

21. Heel Pain Syndrome and Plantar Fasciitis 87
John S Gould

22. Subtalar and Transverse Tarsal Arthritis 89
John S Gould

23. Posterior Tibial Tendon Dysfunction 95
John S Gould

24. Flexible Flat Foot in Children and Adolescents 101
Joseph G Khoury

25. Rigid Flat Foot in Children and Adolescents 106
Joseph G Khoury

26. Cavus Foot in Adolescents and Adults 111
Joseph G Khoury, John S Gould

27. Subtalar Arthroscopy, Hindfoot Endoscopy and Tendoscopy 119
Shana N Miskovsky

Section 5: Ankle Problems

28. Lateral Instability of the Ankle 139
John S Gould

29. Medial Instability of the Ankle 146
Emilio Wagner, Cristian Ortiz, Pablo Wagner

30. **Ankle Arthroscopy** 152
Shana N Miskovsky

31. **Osteochondritis Dissecans of the Talus** 175
John S Kirchner, Beatriz Garcia-Cardona

32. **Ruptures of the Tendo-Achilles** 184
Shana N Miskovsky, Christopher Orr

33. **Haglund Deformity, Retrocalcaneal Bursitis and "Pump Bumps"** 205
John S Gould

34. **Insertional Tendinosis of the Tendo-Achilles** 208
John S Gould

35. **Noninsertional Tendinosis and Paratendinitis of the Tendo-Achilles** 213
John S Gould

36. **Peroneal Tendon Pathology** 215
John S Gould

37. **Anterior Tibial Ruptures** 219
John S Gould

38. **Arthritis of the Ankle Including Adjacent and Pantalar Arthritis** 221
John S Gould

39. **Arthrodesis of the Ankle** 223
John S Gould

40. **Total Ankle Arthroplasty Including Combinations with Osteotomies and Arthrodesis of Surrounding Bones and Joints** 226
Sonya Ahmed, William McGarvey, John S Gould

41. **Combined Ankle and Subtalar Arthrodesis (Pantalar), Ankle and Triple Combined Arthrodesis** 236
John S Gould

Section 6: Nerve Problems of the Foot and Ankle

42. **Nerve Problems of the Foot and Ankle** 241
John S Gould

43. **Neuromas—Acute and Chronic or Recurrent** 242
John S Gould

44. **Entrapment Syndromes** 247
John S Gould

Section 7: Neuromuscular Problems

45. **Cerebral Palsy** 273
Michael Conklin, Stephen F Pehler

46. **Acquired Brain Injury** 285
Michael Conklin

47. **Muscular Dystrophy** 287
Michael Conklin

Section 8: The Rheumatoid Foot

48. **Rheumatoid Pathology** 293
Katherine C Ma, Judith F Baumhauer

Section 9: The Diabetic Foot

49. **The Neuropathic Foot** 313
James J Sferra

Section 10: Special Fracture Problems of the Foot and Ankle

50. **Pilon Fractures** 327
William Min, Jason Lowe

51. **Unstable Ankle Fractures** 333
William Min, Jason Lowe

52. **Talus Fractures** 338
William Min, Jason Lowe

53. **Calcaneus Fractures** 343
William Min, Jason Lowe

54. **Subtalar Dislocations** 348
William Min, Jason Lowe

55. **Fifth Metatarsal Fractures** 351
William Min, Jason Lowe
