Dear Dr Apurv Mehra Sir,
I'd like to thank you for your help during my preparation for AIIMS PG-2017. I had attended your class in march this year. It was very comprehensive and covered all the topics that were asked this time around. The handbook provided as part of the class is very high yield and is perfect for last minute ortho revision.
I've always found Ortho to be a volatile subject and very memory-based so having attended
ODD being so concise yet complete was definitely a boon.Thank you once again !

Dr.Vishnu Prasad Rank 2 - AIIMS NOVEMBER 2017
Hi Apury sir, Vishnu Prasad here... I'm glad to inform you that I secured Rank 2 in AIIMS Nov 2017 PG entrance.
I would like to thank your awesome class and motivation. The ODD, which I had attended during my internship, made orthopedics revision very easy for me.
Thanks to ODD and your review book, I could solve all questions on ORTHO with ease. Please keep inspiring us always..

Dr.Shubham Aggarwal Rank 3 - AIIMS NOVEMBER 2017
Dear Dr Apurva Mehra sir, I bagged the 3rd rank in November AIIMS PG and I wish to thank you for your contribution in my success.
I attended your class in 2015 and again in 2016 as it was such an immense help. Your classes ensured that Orthopedics as a subject was not a worry while I was preparing for entrance and I loved how you inspired me when my confidence was waning. Also, I must say that your book is amazing, specially the chapter summarizing entire orthopedics.
