Contents

Section One: Surgery in General

1. **Advances in Technologies in Operating Theaters** 3
   Shirish G Ambekar, Patrick G Magee

Section Two: Breast

2. **UK Breast Screening After 20 Years** 15
   RI Cutress, C Rubin, GT Royle

Section Three: Endocrine

3. **Recent Advances in Parathyroid Surgery** 29
   James Kirkby-Bott, Ziad El-Khatib

Section Four: Upper Gastrointestinal (GI)/ Hepatopancreatobiliary (HPB)

4. **Expanding Indications for Liver Transplantation** 43
   Michael A Silva, Peter J Friend
5. **Gallbladder Cancer: The Rationale for Aggressive Resection** 63
   Tim Underwood
6. **Surgery for Chronic Pancreatitis** 73
   Colin D Johnson
7. **Non-variceal Upper Gastrointestinal Hemorrhage: Advances in Diagnosis and Treatment** 85
   Samir P Mehta, James P Byrne

Section Five: Colorectal

8. **Colonic Pseudo-obstruction** **103**
Peter J Lunniss, Charles H Knowles

9. **Recent Advances in Surgery of Pelvic Floor Disorders** **116**
Sophie A Pilkington, Karen P Nugent

10. **Laparoscopic Total Mesorectal Excision (TME) for Rectal Cancer** **131**
Anil Hemandas, Daniel O' Leary, Amjad Parvaiz

11. **Therapeutic Endoscopy in Gastrointestinal Cancers** **147**
Sunil Kumar, Arunima Verma

Section Six: Vascular

12. **Endovascular Repair of Abdominal Aortic Aneurysms** **171**
Isuru S Nammuni, Jonathan R Boyle

13. **Management of Vascular Injuries** **186**
Andrew L Tambyraja, Roderick TA Chalmers

Section Seven: Randomized Trials in Surgery

14. **Assessment of Randomized Controlled Trials in Surgery** **199**
Kurinchi S Gurusamy, Brian R Davidson

15. **Randomized Clinical Trials and Meta-analyses in Surgery 2009** **217**
Joanna Franks, Irving Taylor
