Contents

Section 1: The Present Situation

1. Prevalence and Importance of Cataract and Refractive Lensectomy after Previous Refractive Surgery 3
   Frank Joseph Goes
2. Excimer Laser Corneal Surgery after Implantation of Presbyopia Correcting Intraocular Lenses 7
   Guy M Kezirian, George O Waring III

Section 2: Biometry-IOL Power Calculation after Previous Refractive Surgery

3. Cataract Surgery after Keratorefractive Surgery 17
   Warren E Hill
4. My Preferential Approach for IOL Power Calculation after Previous Refractive Surgery 25
   Kenneth J Hoffer
5. Issues in IOL Power Calculation in General and after Previous Refractive Surgery in Particular 36
   Sverker Norrby
6. Calculation of IOL Power in Eyes after Previous Refractive Surgery 42
   Paul-Rolf Preussner

Section 3: Outcomes of IOL Surgery after Previous Refractive Surgery

7. IOL Calculation after Refractive Laser Surgery for Myopia 49
   Wolfgang Haigis
8. IOL Calculation after Refractive Laser Surgery for Hyperopia 55
   Wolfgang Haigis, Frank Joseph Goes
9. Decision Making – The Surgery – IOL Calculation-Outcomes 60
   Frank Joseph Goes
10. Cataract Surgery after Radial Keratotomy 68
    Bernard Mathys

Section 4: Limitations of Phakic IOL Surgery and Other Corneal Procedures

11. Cataract Surgery after Previous Phakic IOL Implantation 77
    Dimitrii D Dementiev, Ernesto Capitanio
12. Cataract Surgery after Other Corneal Procedures: Radial Keratotomy, Intracorneal Rings, Corneal Inlays, and Keratoplasty 97
    Noumia Cloutier-Gill, David R Hardten

Section 5: Decision Making

13. At What Stage, after Previous Refractive Surgery, Should a Decision be Made to Carry Out Lens Surgery? 115
Jerome Bovet

14. When is it Time to Decide for Refractive Lens Exchange – After Previous Refractive Surgery? 119
John P Berdahl, Richard L Lindstrom, Elizabeth A Davis

15. Decision-making/The Best Option for Your Patient 123
Ulrich Mester, H Kaymak

16. Eyemaginations 127
Joe Boorady, Brad Soper

Section 6: The Surgery

17. Phaco in Highly Myopic Eyes 135
David F Chang

18. Cataract Surgery after Previous Phakic Intraocular Lens Surgery 140
Jose L Güell, Merce Morral, Felicidad Manero

Section 7: The Choice of the Lens

19. Multifocal IOLs 153
Leonardo Akaishi, Rodrigo Vaz

Section 8: Complications

20. Dry Eye and Ocular Surgery 163
Ahmad M Fahmy, David R Hardten

21. Refractive Enhancements after Lens Exchange Surgery 174
Thomas Neuhann

22. Reinterventions IOL Exchange 185
Boris Malyugin

23. How to Solve Postoperative Refractive Surprises—Piggybacking or Lens Exchange? 200
Richard Packard

Section 9: The Future

24. Improvements of Surgery: Effective Anesthesia New Technology and Safer Operation Technique 209
E Fabian

25. The Future of IOLs 215
I Howard Fine
