Contents

Section 1 Imaging Techniques and Imaging of the Chest

1. Imaging Techniques and Imaging of the Chest 3

Section 2 Lung Physiology

2. Mechanics of Ventilation 97
3. Gas Exchange in the Lung 106
4. Acid-base Balance and Control of Ventilation 115
5. Pulmonary Circulation 127
6. Respiratory Muscle Function Testing 133
7. Pulmonary Function Testing 138

Section 3 Diagnostic and Therapeutic Procedures

8. Diagnostic and Therapeutic Procedures 153

Section 4 Clinical Approach to Respiratory Disease: Symptoms and Signs

9. Cough 173
10. Hemoptysis 180
11. Dyspnea 186
12. Chest Pain or Discomfort 194
13. Clinical Examination of the Respiratory System 196

Section 5 Pulmonary Tuberculosis

14. Introduction, History, and Epidemiology 205
15. Clinical Features, Diagnosis, and Treatment 213
16. Multidrug-resistant and Extensively Drug-resistant Tuberculosis 236
17. HIV-TB Coinfection 248
18. Novel Technologies for TB Diagnosis 254

Section 6 Infectious Diseases

19. Community-acquired Pneumonia 265
20. Nonbacterial Pneumonia 292
21. Pneumonia in the Non-HIV Immunocompromised Patient 311
22. Nosocomial Pneumonia 331
23. Nontuberculous Mycobacterial Infections 345
24. Bronchiectasis 353
25. Lung Abscess 367
26. Upper Respiratory Tract Infections 374

Section 7 Antibiotic Resistance and its Management

27. Antibiotic Resistance and its Management 383

Section 8 HIV and the Lung

28. HIV and the Lung 391

Section 9 Tropical Infections Involving the Lung

29. Helminthic Lung Diseases 409
30. Pulmonary Manifestations of Protozoal Infections 423
31. Pulmonary Involvement in Fulminant Systemic Tropical Infections 433

Section 10 Airway Diseases

32. Asthma: Introduction, Epidemiology and Etiopathogenesis 449
33. Asthma: Clinical Features and Diagnosis 461
34. Asthma: Management 470
35. Asthma: Special Types 490
36. Chronic Obstructive Pulmonary Disease: Epidemiology, Etiopathogenesis, Clinical Features, Diagnosis and Imaging 498
37. Acute Exacerbation of Chronic Obstructive Pulmonary Disease 532
38. Chronic Obstructive Pulmonary Disease: Management 545
39. Cystic Fibrosis 560
40. Allergic Bronchopulmonary Aspergillosis 569
41. Bronchiolitis 578
42. Oxygen Therapy 586

Section 11 Lung Tumors

43. Lung Cancer and Other Lung Tumors 601

Section 12 Interstitial Lung Diseases and Other Diffuse Lung Diseases

44. Interstitial Lung Disease: Idiopathic Interstitial Pneumonia 655
45. Sarcoidosis 674
46. Pulmonary Langerhans Cell Histiocytosis 696
47. Pulmonary Lymphangioleiomyomatosis and Other Rare Diffuse Lung Diseases 703
48. Hypersensitivity Pneumonitis 718
49. Eosinophilic Pneumonia 727

Section 13 Pulmonary Vascular Disorders

50. Pulmonary Vasculitis 735
51. Pulmonary Hypertension 748
52. Pulmonary Embolism 757

Section 14 Principles of Critical Care

53. Acute Respiratory Failure in Adults 777
54. Airway Management 790
55. Mechanical Ventilation 802

Section 15 Acute Respiratory Distress Syndrome

56. Acute Respiratory Distress Syndrome 837

Section 16 Pulmonary Manifestations of Systemic Diseases

57. Pulmonary Manifestations of Connective Tissue Disorders 859
58. Pulmonary Manifestations of Hepatobiliary and Pancreatic Diseases 876
59. Pulmonary Manifestations of Renal Disease 883
60. Pulmonary Manifestations of Inflammatory Bowel Disease 886
61. Pulmonary Manifestations in Obstetric and Gynecological Conditions 889

Section 17 Diseases of the Pleura

62. Pleural Effusions, Empyema 897
63. Pneumothorax 920
64. Malignant Pleural Mesothelioma 928

Section 18 Diseases of the Mediastinum

65. Diseases of the Mediastinum 937

Section 19 Occupational and Environmental Lung Diseases

66. Common Occupational Lung Diseases 965
67. Environmental Pollution 988
68. Inhalational Lung Injury 997
69. Clinical Disorders at High Altitude 1007

Section 20 Drug-induced Lung Injuries

70. Adverse Drug Reactions on the Lung 1015

Section 21 Trauma and Chest Wall Disorders

71. Trauma to the Chest 1031
72. Chest Wall Disorders 1041
73. Central Nervous System and Neuromuscular Disorders Involving the Respiratory System 1047

Section 22 Sleep-related Breathing Disorders

74. Sleep-related Breathing Disorders 1063
