Contents

UNIT 1: REVIEW OF COMMUNICATION PROCESS

CHAPTER 1: Communication Process **1**

- Communication 2
- Types of Communication 4
- Models of Communication 8
- Communication Process: Elements, Steps, and Channels 9
- Facilitators of Communication 12
- Barriers to Communication 15
- Methods to Overcome Barriers of Communication 17
- Techniques of Effective Communication 19

UNIT 2: INTERPERSONAL RELATIONS

CHAPTER 2: Interpersonal Relations and Johari Window **25**

- Interpersonal Relations: Characteristics and Purposes 25
- Types of Interpersonal Relations 27
- Principles and Elements of Therapeutic Relationship 29
- Models of Interpersonal Relations 30
- Phases of Interpersonal Relations 32
- Barriers and Methods of Overcoming 34
- Johari Window 36

UNIT 3: HUMAN RELATIONS

CHAPTER 3: Human Relations, Group Dynamics and Team Work **41**

- Understanding Self 41
- Social Behavior, Motivation and Social Attitudes 43
- Individual and Group 50
- Human Relations 56
- Group Dynamics 60
- Teamwork 62

UNIT 4: GUIDANCE AND COUNSELING

CHAPTER 4: Guidance and Counseling, Managing Disciplinary Problems, and Crisis and Referral Management **67**

- Guidance and Counseling 68
- Counseling Process 83

UNIT 5: PRINCIPLES OF EDUCATION AND TEACHING-LEARNING PROCESS

CHAPTER 5: Principles of Education, Learning and Teaching **97**

- Education 97
- Philosophy 106
- Learning Process 117
- Teaching 118

CHAPTER 6: Teaching-Learning Process, Lesson Planning and Classroom Management **125**

- Teaching-Learning Process 126
- Formulating Educational Objectives 128
- Lesson Planning 133
- Classroom Management 139

UNIT 6: METHODS OF TEACHING

CHAPTER 7: Methods of Teaching I: Teacher Controlled, Group Controlled and Action Oriented **149**

- Teaching Method 149
- Teacher-Controlled Methods 150
- Group-Controlled Methods 155
- Action-Oriented Methods 168

CHAPTER 8: Teaching Methods II: Teacher Training, Learner Controlled and Clinical Teaching **176**

- Teacher Training Methods 176
- Learner-Controlled Methods 183
- Clinical Teaching Methods 189

UNIT 7: EDUCATIONAL MEDIA

CHAPTER 9: Audiovisual, Graphic and Three-Dimensional Aids **215**

- Audiovisual Aids 215
- Graphic Aids 220
- Three-Dimensional Aids 232

CHAPTER 10: Printed, Projected, Audio, and Computer Educational Media **237**

- Printed Aids 237
- Projected Teaching Aids 238
- Audio Aids 248
- Computer 249
- Importance of Computers in E-Learning during Covid-19 250

UNIT 8: ASSESSMENT

CHAPTER 11: Assessment and Evaluation in Nursing Education **261**

- Defining Evaluation, Measurement, and Assessment 261
- Characteristics of Evaluation 262
- Purposes of Evaluation and Assessment 263
- Scope of Evaluation 263
- Principles of Evaluation 264
- Evaluation Procedure 265
- Types of Evaluation/Assessment 266
- Criteria for Selection of Evaluation/Assessment Techniques and Methods 268
- Tools and Techniques of Evaluation/Assessment 269

UNIT 9: INFORMATION, EDUCATION AND COMMUNICATION FOR HEALTH

CHAPTER 12: IEC, Health Behavior, Health Education, and Communicating Health Messages **289**

- IEC (Information, Education, and Communication) 289
- Health Behavior 290
- Health Education 296
- Planning for Health Education 301
- Health Education with Individuals, Groups and Communities 303
- Communicating Health Messages 305
- Methods and Media for Communicating Health Messages 305
- Using Mass Media 309
